STATE ROUTE 210 TEMPORARY LANE AND STREET CLOSURES IN SAN BERNARDINO TO BE EXTENDED

State Route 210 construction will require extended temporary closures of the following areas in San Bernardino:

Little Mountain Drive

Construction work for State Route 210 at Little Mountain Drive will continue weekdays through March 31 from 6:30 a.m. to 3 p.m. The outside northbound lane on Little Mountain Drive will be closed to allow crews to grade the area near the intersection of Little Mountain Drive and Route 30. One travel lane will be maintained in each direction throughout the closure.

California Street

The full closure of California Street between Highland Avenue and 16th Street will be extended weekdays through March 24 from 7 a.m. to 3 p.m. Motorists will be detoured using Highland Avenue, Medical Center Drive and Baseline. Pedestrian access may be limited during this closure and will only be permitted on the west side of California Street under the supervision of construction flaggers.

Cajon Boulevard

Cajon Boulevard will remain temporarily closed between Medical Center Drive and Hancock Avenue weekdays through March 24 from 7 a.m. to 3 p.m. Motorists will be detoured using California Street to eastbound Highland Avenue, then to northbound Medical Center Drive and back onto Cajon. Detour signs will be in place to direct drivers through the area.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at www.sanbag.ca.gov. SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.

Remember, Safety: It's no accident!
